Brookstone Builders, Inc. Awarded Federal Express Building Renovation Project

MANCHESTER, NH – (August 6, 2020) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been selected to perform a renovation to the **Federal Express** shipping center on Industrial Drive in Londonderry, NH.

This initiative will involve updates to the entire facility, which is owned by **Aeroterm, LLC** of Annapolis MD, a leading owner and provider of capital, expertise, and facility related services to airports throughout North America.

The scope of work will include sealing and striping of the warehouse floor, select door replacement, office ceiling and flooring upgrades, lighting enhancements, bathroom upgrades, and parking lot repairs and line painting.

Scott Launier will serve as Brookstone Builders' Project Manager.

"We appreciate this award and to once again be working with Fed Ex," said Brookstone Builder's President **Paula Scales**. "Our crews are especially well-suited to this type of renovation, and to the heightened safety, noise and dust abatement protocols required when working in or around occupied space."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
