## Brookstone Builders, Inc. Awarded Renovation Project by Lantheus Medical Imaging, Inc.

**MANCHESTER, NH** – (October 29, 2018) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been awarded a renovation project by **Lantheus Medical Imaging, Inc.**

This project will involve renovating portions of building 600 at Lantheus Medical's Billerica, Massachusetts campus, and will result in additional executive office space. The scope of work will include select demolition, reconfiguration of electrical and HVAC systems, and interior finish work.

"We have enjoyed our business relationship with Lantheus Medical Imaging and appreciate this project award," said Brookstone Builder's President **Paula Scales**. "Our crews are especially well-suited to such renovations and to working in-and-around occupied space, which requires enhanced safety, noise control, scheduling, and dust abatement protocols."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
