## Brookstone Builders, Inc. Awarded State of NH Renovation Project

**MANCHESTER, NH** – (December 22, 2016) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been selected to perform a pharmacy and miscellaneous renovation project at **New Hampshire Hospital** in Concord.

The project will involve the complete fit-up of a new pharmacy, the renovation of the HR office and meeting space, the construction of new A.D.A. bathrooms and a new gift shop within the 36 Clinton Street facility. The scope-of-work will include interior demolition; new walls, floors, and ceilings; interior finishes; and electrical, mechanical and HVAC system upgrades.

**Jay Gemmiti** will serve as Brookstone Builders' Project Manager. The project's architect will be **Harriman**, a regional firm with locations in Portland and Auburn, Maine, Boston, Massachusetts; and Manchester, New Hampshire.

"Our crews are well-experienced in the healthcare sector, and we have always enjoyed working with the State of New Hampshire," said Brookstone Builder's President **Paula Scales**. "Our business relationship has spanned many years, and we appreciate their straightforward communication protocols and consistent work processes."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
