## **BROOKSTONE BUILDERS, INC. AWARDED PFIZER RENOVATION PROJECT**

**MANCHESTER, NH** – (March 8, 2018) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been selected to perform a renovation project for **Pfizer, Inc.** in Billerica, Massachusetts.

The scope-of work will involve the installation of millwork, including specialty cabinets and countertops, along with related finish work as part of an ongoing facility upgrade project at Pfizer's Billerica location.

Brookstone Builders will be a sub-contractor, working with **CRB Builders** of Medford, Massachusetts, the project's Construction Managers.

**Erik Crisman** will serve as Brookstone Builders' Project Manager.

"We are most appreciative of our working relationships with Pfizer and CRB," said **Paula Scales**, Brookstone Builders, Inc. President. "Our crews have performed similar work at Pfizer locations over the years, and are well-suited to working in-and-around occupied workspace."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
