Brookstone Builders, Inc. Awarded Pfizer Renovation Project

MANCHESTER, NH – (December 20, 2018) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been awarded a renovation project at the **Pfizer** facility in North Andover, Massachusetts.

This project will involve the interior renovation of an existing Pfizer building in order to update office areas and create additional meeting space. The scope of work will include new ceilings, walls and floors, as well as a range of interior finishes.

Brookstone will serve as a sub-contractor to **National Facilities Services (NFS)** of Boston. **Ryan Ouellette** will serve as Brookstone Builders' Project Manager/Superintendent.

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
