Brookstone Builders, Inc. Awarded Andover Corporation Renovation Project

MANCHESTER, NH – (December 29, 2021) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been awarded an interior renovation project by the **Andover Corporation**, a designer and manufacturer of custom and standard optical filters and optical coatings.

The project will involve the conversion of a 1,300 square foot storage area into workspace at the company's Commercial Drive headquarters in Salem, NH. The scope of work will include new walls, flooring, doors, ceilings, painting, and related finishes.

Mark Brockelman will serve as Brookstone Builders' Project Manager and the project's architect will be **Lauer Architects** of Goffstown.

"We're pleased to have earned this award," said Brookstone Builder's President **Paula Scales**. "Our crews are well-experienced with this type of renovation and with the heightened safety, noise and dust abatement protocols required when working in or around occupied space."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
