Brookstone Builders, Inc. Awarded Rochester Ford Renovation Project

MANCHESTER, NH – (June 2, 2022) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been awarded a renovation project by **Rochester Ford**.

The project will involve expansion and upgrades of the customer service area and the addition of two new service bays to Rochester Ford's Crane Drive facility in Rochester, New Hampshire. The scope of work will include select demolition and the installation of a new doorway, new walls and floors, millwork, and finishes.

Mark Brockelman will serve as Brookstone Builders' Project Manager.

"We have had a long relationship with Rochester Ford and are pleased to have earned this award," said Brookstone Builder's President **Paula Scales**.

"Our crews are well-experienced with this type of renovation and with the heightened safety, noise, scheduling, and dust abatement protocols required when working in or around occupied space."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
