FOR IMMEDIATE RELEASE

Brookstone Builders, Inc. Is Awarded Saint Joseph Hospital Renovation Project

MANCHESTER, NH – (August 4, 2023) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been awarded a renovation project by **St. Joseph Hospital**.

The project will involve interior renovations and the replacement of X-ray equipment in two radiology rooms at the Kinsley Street facility in Nashua, NH. The scope of work will include interior demolition, replacement of existing ceilings, the addition of structural supports and walls, the relocation of control areas, and the installation of lead-lined protection walls and glass partitions. The radiology department will remain in full operation during the project.

Stephen Nichols will be Brookstone Builders' Project Manager, and architecture will be provided by **Tennant Goucher Architects** of Bedford, NH.

"We're happy to have been awarded this project," said **Paula Scales**, Brookstone Builder's President. "We have appreciated and enjoyed a strong working relationship with St. Joseph Hospital over many years. In addition, our crews are especially well-suited to the heightened safety, noise abatement, and scheduling protocols that are associated with working in and around occupied space."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
