

FOR IMMEDIATE RELEASE

## **Brookstone Builders, Inc. Completes Hospital Renovation Project**

**MANCHESTER, NH** (November 25, 2019) – Brookstone Builders, Inc., construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have completed a small renovation project for **St. Joseph Hospital** in Nashua, NH.

Due to an accelerated timeframe, the hospital's facilities department engaged Brookstone Builders to support their team in renovating the interior of an existing medical office located on Nashua's D.W. Highway.

The scope of work included the addition of new walls, millwork, minor electrical upgrades, and various finishes. The office remained fully operational during the renovation, the results of which include more efficient workflow and enhanced levels of patient care.

Ryan Ouellette was Brookstone Builders' On-site Superintendent.

"We truly appreciate our long-term business relationship with St. Joseph Hospital," said **Paula Scales**, President of Brookstone Builders, Inc. "We were pleased to lend our support to this fast-track project, as our crews are very familiar with the nuances associated with medical office renovations as well as with working in close proximity to occupied space."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
