Brookstone Builders, Inc. Awarded St. Mary's Bank Renovation Project

MANCHESTER, NH (April 27, 2020) – Brookstone Builders, Inc., construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been awarded a major renovation project by **St. Mary's Bank**.

The project will involve the complete interior and exterior renovation of a former bank building located at 4 Northwest Boulevard in Nashua, NH. The scope of work will include interior and exterior demolition, and the installation of new siding, roofing, mechanical and electric systems, HVAC, drywall, walls, and floors along with finish work throughout the building, which is approximately 2,500 square feet in size. With a target opening date in the July timeframe, the new branch will feature an open concept layout similar to other St. Mary's locations.

Mark Brockelman will serve as Brookstone Builders' Project Manager, and **Curt Lauer** of Goffstown, New Hampshire will be the project's architects.

"We have worked on many bank projects over the years and are very happy to have received this award," said **Paula Scales**, President of Brookstone Builders, Inc. "Our crews are well experienced with all aspects of renovation work, and with adhering to the necessary scheduling protocols to facilitate an on-time completion."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
