Brookstone Builders, Inc. Awarded State of NH Remediation Project

MANCHESTER, NH – (September 22, 2017) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been selected to perform a remediation project by the **State of New Hampshire**.

The undertaking will involve moisture remediation at the State Library on Park Street in Concord, NH. The scope of work will include stone masonry repair and partial roof replacement.

Mark Gemmiti will serve as Brookstone Builders' Project Manager and **Jack Boardman** will be the site Superintendent.

"We have enjoyed a long-term relationship with the State of New Hampshire," said Brookstone Builder's President **Paula Scales**. "Our work crews are well-experienced in new construction as well as renovation and repair, enabling us to offer flexible choices to an organization like the State that must manage and maintain multiple facilities of varying types."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
