FOR IMMEDIATE RELEASE

Brookstone Builders, Inc. Receives Award for U.S. Navy Renovation Project

MANCHESTER, NH – (September 12, 2023) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been awarded a renovation project by the **U.S. Navy**.

The project will involve renovations within building H18 at the Portsmouth Naval Shipyard, which is located within the Controlled Industrial Area (CIA). The scope of work will include some interior demolition, kitchen and breakroom renovations, new walls, relocation of a closet, millwork, and finish-work.

The facility will remain in operation during the project which, when combined with the secure location, brings about a need for heightened safety, scheduling, noise control, and dust abatement protocols.

Stephen Nichols will serve as Brookstone Builders' Project Manager, architectural design was prepared by the Naval Facilities Engineering Systems Command (NAVFAC).

"We value our ongoing professional relationship with the Navy," said Brookstone Builder's President **Paula Scales**. "It has been a great partnership involving numerous projects over several years, which have all been completed more effectively thanks to the Navy's streamlined processes and straightforward protocols for communication."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
