## Brookstone Builders, Inc. Awarded US Navy Renovation Project

**MANCHESTER, NH** – (July 20, 2020) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have been selected to perform a renovation project by the **US Navy**.

This initiative will involve the addition of two unisex bathrooms and an electrical utility room to an existing building (B177) at the **Portsmouth Naval Shipyard**. The scope-of-work will encompass framing, flooring, drywall, painting, roof work, exterior siding, and the installation of an exterior concrete pad to support cooling equipment.

**Scott Launier** will serve as Brookstone Builders' Project Manager, and Brookstone Builders will be a subcontractor on this project, with **CCI Utility and Construction Services, LLC** of Manchester, Maine serving as the primary contractor.

"We appreciate our ongoing professional relationships with the Navy and CCI," said Brookstone Builder's President **Paula Scales**. "It has been a great partnership involving numerous projects over several years, which have all been completed more effectively thanks to the Navy's streamlined processes and straightforward protocols for communication."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design-build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
