FOR IMMEDIATE RELEASE

Brookstone Builders, Inc. Completes St. Joseph Hospital Renovation Project

MANCHESTER, NH – (July 25, 2025) **Brookstone Builders, Inc.**, construction managers and general contractors headquartered in Manchester, New Hampshire, recently announced that they have completed a renovation project for **St. Joseph Hospital** in Nashua, NH.

The project involved interior renovations at the hospital's school of nursing on Woodward Avenue in Nashua.

The scope of work included the replacement of the building's HVAC system, installation of new controls, new flooring, LED lighting upgrades, and mechanical upgrades. A major upgrading of the building's auditorium was also completed along with the installation of new finishings throughout.

The school remained in operation during the project. Architecture was provided by **Lavallee Brensinger** of Manchester, NH, and project engineers were **Ftizemeyer & Tocci Associates** of Woburn, MA.

"We appreciate our long-standing relationship with St. Joseph Hospital," said **Karen Scales**, Brookstone Builder's President. "In addition, our crews are especially well suited to the heightened safety, noise abatement, and scheduling protocols that are associated with working in and around occupied space."

A woman-owned enterprise, **Brookstone Builders, Inc.** was founded in 1984. The company provides commercial, industrial, and design/build solutions throughout northern New England, and has also been involved in a wide range of specialty and renovation projects.
